Welcome From WEA!

The Washington Education Association (WEA) represents employees in public education in Washington state and there are more than 370 local associations affiliated with WEA. We are the state's largest public employee union and the most powerful voice and advocate for public education.

We are reaching out today to invite you to join our Association. Membership gives you the benefit of strength in numbers and a connection with other educators who believe in the promise of public education. Together, we stand strong for our students and for our profession. If you are joining WEA for the first time, look at the following pages to review benefits and details explaining WEA membership! If you need to re-enroll because you have moved to a new district or college (and know all the wonderful benefits of being a member), please go to the eJoin guide and link to eJoin on pages 3-4.

Why Should I Become A Member?

Your membership in WEA means you have the support of the <u>National Education Association</u> (NEA), our state's <u>Washington Education</u> <u>Association (WEA)</u>, your regional UniServ Council, <u>WEA-Southeast</u>, and your local education association. In addition, members can belong to affiliated groups including WEA-Retired, WEA Higher Education, and Student WEA.

Being a WEA member means:

- Accurate information amid a changing landscape in education
- Support in bargaining your local contract
- A strong voice in the Washington Legislature
- Free WEA Professional development opportunities to help keep your skills sharp (most include free clock hours)
- Free NEA Complimentary Life Insurance automatic when you join the association
- \$1 million on-the-job NEA educator employment liability (EEL) insurance coverage
- Legal assistance from WEA attorneys (WEA Attorney Referral Program)
- Resources to help in the classroom
- Access to grants from the WEA Children's Fund, which benefits children in need
- Opportunity to attend pre-retirement seminars presented by WEA-Retired
- Money-saving discounts from NEA Member Benefits to help stretch your paychecks
- A community of dedicated educators

Don't miss out on these benefits of membership! We invite you to review, in more detail, many of the <u>benefits mentioned above</u>....

So....What Exactly Is A UniServ Council?

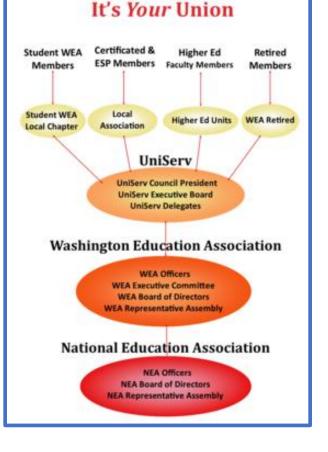

That's a great question – <u>this link</u> provides an explanation of UniServ and our role as the Regional support structure for WEA members. Your UniServ Office is WEA-Southeast, and we are located in Kennewick.

Your Staff at WEA-Southeast work hard to assist and support locals and members!!

What About My Local Association?

Your pay, benefits and working conditions are bargained into your local contract by members, union leaders and staff. We turn to you to know the issues and concerns you care about in order to make sure your interests are reflected in your local contracts. Local associations bargain hard to meet the specific needs of its members, such as paid time for digging deeper into new requirements,

increased compensation, and improved working conditions.

<u>Please review this</u> to find your Local President's name and email contact information, if you haven't already been in touch!
